Ease and Impact

“Opportunities” have different relevance to different groups (their potential IMPACT).

And, organizations have different readiness levels --- that is they require different levels and types of resources to get started or activated (EASE).

Please rank the ease and impact of each slide from 1 – 10 (with 10 being high).

| OPPORTUNITY | IMPACT | EASE | TOTAL |
|-------------------------------------|--------|------|-------|
| Community Mapping Plan | | | |
| Community Photo Voice Plan | | | |
| Chalk & Talk Plan | | | |
| Site Analysis & Healthy Places Plan | | | |
| Wayfinding Demonstration Plan | | | |
| Walkability Demonstration Plan | | | |

Your organization/ group name

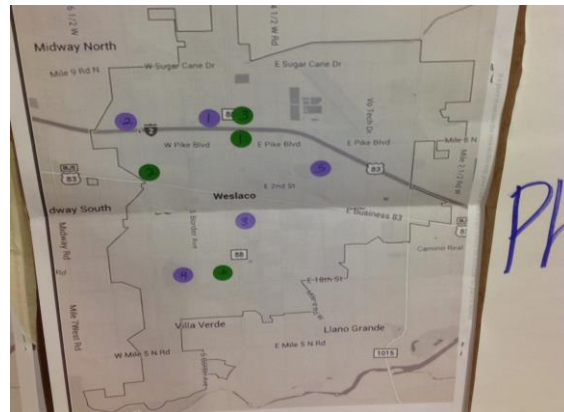

Notes
